Scripture Memory Verse for November:

“Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks through Him to God the Father.”
(Colossians 3:17)

NOVEMBER 2020 NEWSLETTER

“I will praise the name of God with song and magnify Him with thanksgiving.” (Psalm 69:30). The word “magnify” can be used in two different senses. It can mean “to make something appear greater than it is,” as with a microscope or a magnifying glass. Or it can mean “to make something that may seem small or insignificant appear to be as great as it really is.” That is what mighty telescopes do. They help us to properly view the magnificent universe in which we live, which our omnipotent God created. When David says, *“I will magnify Him with thanksgiving,”* he does not mean, “I will make a small God look bigger than he is.” He means, “I will make a big God begin to look as big as he really is!” We are not called to be microscopes but telescopes. The Christian life can be summed up in this way—you who love God should think, feel and act in a way that will make His greatness begin to look as great as it really is. Be a telescope to the majesty of God, for the glory of God.
