## **NOVEMBER 2021 NEWSLETTER**

Recently I started re-reading a book that I have had on my shelf for many years entitled, “How To Pray,” by Dr. Ronnie Floyd. In it, Dr. Floyd defines effective prayer as occurring, “*when you talk to God and listen to what God is saying to you.*” The components of speaking to God include but are not limited to: **Confession**-admitting our need for God as we confess our sins to God. Some scripture that comes to mind would be *John 15:5; 1 John 1:9*. **Praise**-expressing your love and adoration, not for what God has done but for who God is. Scripture helps include, *Psalms 34:1-3; 145:1-4; 150*. **Thanksgiving**-expressing our gratefulness to God for all of the things He has done for us. *1 Thessalonians 5:18* always comes to mind. Dr. Floyd says, “*Discipline yourself to have a thankful heart before God.*” That’s good advice all the year round. **Petition**-tell God what is on your heart. Two verses that are helpful are, *Psalms 55:22; Philippians 4:6-7*. Last of all, **Intercession**-praying for others. Imagine yourself standing in the gap between some individual and the God of heaven. If God puts someone and their need on your heart it is because He wants to move in that person’s life and He wants to involve you to that end. How exciting and sobering is that! Dr. Floyd calls these, “*..the five talking principles of prayer...practice them...grow in them...learn from others about them.*”

Praying for you and for your prayer life!  
Pastor Earl
