

JULY 2022 NEWSLETTER

It was Robert Murray McCheyne that once said, “You wish to humble a man? Ask him about his prayer life.” Our prayers (or the lack thereof), reveal much about us. Far too often our

prayers revolve around one person-ourselves! We rush in to “talk” to God about *our* interests, desires, needs and complaints. Seldom do we take the time to hear what God might have to say to us. If that’s you, here’s a suggestion for changing the trajectory of your prayer life. Incorporate into your prayer time the **A.C.T.S.** method for prayer. These letters stand for: ***Adoration, Confession, Thanksgiving & Supplication***. Space here doesn’t allow for a treatment of each one, so let me briefly mention the first one-***Adoration***. In Psalm 147:1, we find these words, “Praise the Lord! For is it good to sing praises to our God; for it pleasant, and a song of praise is becoming (or fitting).” This is where we should begin because God is always praiseworthy. Our purpose here on earth is to praise our Creator & Redeemer for who He is and what He is. Many of the Psalms can assist us in forming the words needed to express our adoration for God. Offering praise helps us to direct our attention away from self and toward God, first and foremost. Try it the next time you pray. God is waiting to hear from His children.

Praying, with, and for you!
Pastor Earl
