The writer of Hebrews said clearly, “**not forsaking our own assembling together...**” That’s because it’s within the body of believers that we encourage each other in the faith and grow spiritually. Fellowship in the Lord strengthens and refreshes us. This is incredibly important. Short of salvation, there’s nothing as important to the people of God as authentic fellowship. As believers, we need to pray together, learn together, serve together, give together, grow together, cry together, repent together, worship together, and proclaim the good news of Jesus Christ together! This is the kind of fellowship we ought to be a part of every time we gather as the body of Christ. All that said, I know summer is here. No doubt you will be away at times for vacation. Go and get the rest you and your family need for body & soul. Just don’t hesitate to come back once you get back. It’s just not the same around here without you. The fellowship of God’s church needs you for edification & growth, and you need the fellowship of God’s church for your own spiritual growth. Together, we spur one another along, “...to love and good deeds.”

God Bless!
Pastor Earl
