Pray for the peace of Jerusalem!
“May they be secure who love you!” (Psalm 122:6). Happy Birthday, America! If my math is correct, we are now 248 years old. While we should pray daily over our country and its leaders, let me ask you to add the nation of Israel to your prayer list. Why, you may ask? One, it is scriptural; and two, because the history and the future of the world are forever linked to the Middle East. So, if you have any doubts about whether you and I are living in the last days, Israel is a super sign! According to Scripture, the Jewish people must return to Israel before Christ can return. Well, Israel has been restored and Jews continue to repopulate Israel. Prophecy is being fulfilled daily. You see, you cannot separate Israel from God’s sovereign plan for our world. Even we Gentiles share in this historic connection. From patriarchs to prophets, to apostles, we received the Scriptures through mostly Jewish people. And of course, our Messiah came to us through David and the Jewish lineage. By grace we’ve been grafted into God’s Kingdom and family. We possess a divine and providential connection with Israel and the Jewish people. If you want God’s blessings in this life, then bless Israel as He instructed us in His Word (Genesis 12:1-3) and pray for the peace of Jerusalem.

Shalom!

Pastor Earl
